Salem, VA - He's considered to be one of the main reasons behind the success of the Extreme Makeover Home Edition project in Blacksburg. Thursday night he was honored for that by his peers.

Bob Fetzer, President and Founder of Building Specialists, was named Citizen of the Year by the Salem-Roanoke County Chamber of Commerce. Fetzer says building Carol Crawford Smith's home was one of the biggest challenges of his life, but also one of the most rewarding.

The award came as a surprise to Fetzer. He thought he was showing up to honor another major contributor to the project.

***Bob Fetzer, Citizen of the Year - "I'm just very humbled by it, very touched by it and shocked, surprised. I had no idea. I thought we were here tonight to honor Richard Newcomb and they really threw me a curve."***

More than 4,000 volunteers worked on the project.
